Self-Clinching Fasteners

PennEngineering has enjoyed a sustained history as a global leader in the fastening industry since our founding in 1942. The PEM® brand has been recognized as the premier product in the thin sheet fastening industry for over 75 years.

PEM® self-clinching nuts, studs, standoffs and captive panel screws are used worldwide by a variety of manufacturers, including producers of telecom/datacom, consumer electronics, electric vehicles, medical, automotive, automotive electronic and industrial/commercial equipment.

LEARN MORE

DB Roberts is the largest authorized PEM distributor globally with strong inventory in all our distribution centers across North America. To request a quote, please email DBR-Marketing@DBRoberts.com, or call us at 800-773-5388.
